Hi Sam,

Thank you for your time this afternoon and for showing me around your school. I have updated the Making the Rounds on the Knowledge Bank:

<https://dataprotection.education/courses-heading/making-the-rounds-log/item?id=96129>

In order for you to be able to view it, I have changed your profile on the Knowledge Bank to be an administrator for your school.

If you click on the above link there will be some feedback in some of the areas which include links and information that you can send to staff if needed.

I have updated the DPO Feedback section with any additional advisories and changed the status to Action Required. You can then update the Actions Taken section with any changes you are able to make, and we can discuss at our next meeting.

If you have any questions, please do not hesitate to contact me.

Many thanks,

Tammy Buchanan
