Hi all,

Firstly, I'd like to say how welcoming and friendly all of the schools were to me, it really was a pleasure - so thank you. All the visits to the schools have now been completed and the Making the Rounds uploaded to the Knowledge Bank. Please find attached a Trust Report summarising the information logged in the Knowledge Bank this academic year and the advisories from the data walks.

In some instances I have had to change the headteacher role in the Knowledge Bank to be an administrator so they are able to view the report.

The information shows that each school uses the Knowledge Bank differently but this may change when we have had the GDPR Champions meetings.

There may seem to be a lot of advisories but this is because it is across all schools - where one school may follow best practice for something another school may not. Please review this alongside the risks in each individual school - for example, whether the school has lettings or not and what areas lettings have access to.

I would suggest that we meet for a Trust meeting next, so please use the link below to book in on a date and time suitable for you in the Autumn term:

<https://go.oncehub.com/DPETammyBuchanan>

If you have any questions, then please do not hesitate to contact me or if there is any other information you would like added.

I look forward to hearing from you.

Many thanks,

**Tammy Buchanan**
