Hi Sarah and Clare,

Thank you for your time yesterday and for showing me around your school. I have updated the Making the Rounds on the Knowledge Bank:

<https://dataprotection.education/courses-heading/making-the-rounds-log/item?id=96250>

If you click on the above link there will be some feedback in some of the location areas which include links and information that you can send to staff if needed.

I have updated the DPO Feedback section with any additional advisories and changed the status to Action Required. You can then update the Actions Taken section with any changes you are able to make, and we can discuss at our next meeting. As discussed at the time, there is very little in there as you are very thorough with your physical security and data retention and so is yours to assess in line with any risks.

I am putting my booking link below so you can book the next online meeting for the Autumn term. Please use the link below to check my availability which will allow you to book a date and time that is suitable for you:

If you have any questions, please do not hesitate to contact me. Have a lovely Summer!

Many thanks,

Tammy Buchanan
