Hi Kelly,

Thank you for your email, I'm afraid I'm not available on Friday morning as I have an all day meeting. Unfortunately I have very limited time left in August now. I do have some time available the first week in September. I have put my booking link below again for you, so you are able to check my availability at your convenience:

<https://go.oncehub.com/DPETammyBuchanan>

Do you have any specific questions that you are needing help with? I know that you are new to the role, so I would recommend visiting our Schools Best Practice Area on the Knowledge Bank, which will help:

<https://dataprotection.education/index.php/best-practice-library/best-practice-library/schools>

I could offer you half an hour online tomorrow (Thursday morning) at 10am if that helps?

I hope that helps,

Many thanks,
Tammy

Hi Peter,

I hope you are well, and thank you for your email, it is good to hear from you.

Thanks for getting in touch regarding Kelly being the new data protection lead in the school - Kelly has already had a demo with Kalina to walk through the Knowledge Bank and is already set up as an admin user and has been raising tickets etc. I have emailed the school twice to try to book a meeting once I realised that Alison had left, however, please find my booking link below - this will enable you to book a date and time that is suitable for you while at the same time checking my availability:

<https://go.oncehub.com/DPETammyBuchanan>

We can use that meeting time to check where you are with data protection and what needs to happen regarding training and compliance and how we work as an outsourced DPO etc. There has also not been a follow up meeting to the Making the Rounds walk that we did in November.

I have copied James in as he is best placed to send you the contract/agreement details. He should also be able to comment regarding your query about a Governor meeting as I have not been asked this before and he is a Governor at his local school. In the meantime, the governors may wish to view the Governors and data best practice area: <https://dataprotection.education/index.php/best-practice-library/best-practice/governors-and-data> and this article: <https://dataprotection.education/infosec/312-cyber-responsibilities-for-governors-trustees-in-schools>

I hope that helps and look forward to hearing from you,

Hi Tammy

Hope all is well with you. I wanted to let you know that Alison Hine (our DPE contact) has left the school. We now have a lovely new School Business Manager instead of a bursar - Kelly Bassett (cc'ed).

As a result, I have a number of requests:

1. Could you please give Kelly an administrative log in to the portal?
2. Could we arrange a time for an introductory call to go through what's included in our current contract, how you work with us as an outsourced DPO, how she needs to raise a breach with you etc.?
3. It would be great if you could send a copy of the current agreement to both us please. I'm sure it's on file somewhere in the school, but this would save Kelly having to hunt for when she's currently firefighting on a lot of different fronts.
4. As part of our DP health checklist from the Key, it is recommended that "your data protection officer (DPO) delivers a 20-minute data protection briefing in a full [governing] board meeting to cover: What personal data your school keeps, How this data is kept safe, What is being done to comply with the UK GDPR. Can we try and make this happen in the new academic year? Zoom would be fine and I can give you a list of dates after our full-day FGB the week after next.

Hopefully these are all pretty straightforward, if you can let me know that would be great.

Best wishes,
Peter

Hi both,

Just checking you are still available for tomorrow for the Making the Rounds (audit walk)? I should be with you for 10am but depends on the M25 situation, however will do my best to get there for that time. Please can you let me know if there is available parking or not?

I look forward meeting you,
