Hi Kelly,

Thank you for your time today, it was good to meet you - please find below the details we discussed and any further information:

1. Privacy notices: we recommend three, one for pupils, one for workforce and a general one. Templates and further information can be found here:

[documentDPE Model Data Privacy Notice Pupils \(236 KB\)](#)

[documentDPE Model Data Privacy Notice Workforce \(233 KB\)](#)

[documentDPE Model Data Privacy Notice General \(371 KB\)](#)

2. Data protection Policy on the school website: on page 3 the ICO registration number for the school is missing, it should be: Z5607372

3. Adding/Removing staff on the Knowledge Bank: <https://dataprotection.education/best-practice-library/documents/user-guides/149-how-to-add-users-to-the-knowledge-bank-user-guide>

4. How to assign courses to staff: <https://dataprotection.education/site-updates/291-assigning-users-to-courses>. Given no staff have had any data protection training for more than two years, I would recommend if possible that they complete the Introduction to Data Protection Course. There are other short courses available such as the GDPR Refresh, clear desk policy and data breaches.

5. The NCSC provides a lot of free training for school staff (cyber and breach training):

7. School website examples: <https://dataprotection.education/best-practice-library/best-practice-library/schools> (go to the website example tab).

8. Acceptable use policy: <https://dataprotection.education/best-practice-library/documents/procedures/acceptable-use-1/46-staff-acceptable-use-policy-template-v1-0-1>

9. Displaying special category information: <https://dataprotection.education/best-practice-update/388-displaying-special-category-information-in-schools>

I have sent through the meeting request for the in person data walk around on the 9th November and look forward to seeing you then.

Many thanks,
