To: head@lyne.surrey.sch.uk

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi Chris,

Thanks for your time today, it was really good to meet you. Please find below the information we discussed:

ICO Info: Ensure you have registered Data Protection Education as your DPO with the [ICO](#): [Make sure DPE is your registered DPO with the ICO](#).

Data Protection Policy: Template: <https://dataprotection.education/best-practice-library/documents/procedures/8-data-protection-policy>

Privacy Notices: we recommend the following three:

[DPE Model Data Privacy Notice Pupils](#)

[DPE Model Data Privacy Notice Workforce](#)

[DPE Model Data Privacy Notice General](#)

Schools Best Practice Area: <https://dataprotection.education/best-practice-library/best-practice/schools>

Staff awareness. Consider mentioning data protection at staff briefings to raise awareness. Use the News section of the DPE website for ideas and latest best practice advice. Use our 'drip-feed' posters: [folderDrip Feeds - posters](#)

NCSC:

- [NCSC Cyber Security Training for School Staff](#)
- [NCSC Questions for School Governors](#)

KCSIE Article: <https://dataprotection.education/best-practice-update/383-kcsie-s-cyber-link>

Adding Staff onto the Knowledge Bank - I have attached a template csv for you to complete and send back to me and I will bulk upload everyone for you. You can include Governors if you wish, but would only suggest doing that if they have school email addresses (which is recommended).

DPE Keep in the know digest email:

DPE has automated sending key information and updates to you. You should be receiving the latest DPE news via a digest email (Keep in the know! With data protection education). If you have not received an email please let us know so we can check the system for you. Email: dpo@dataprotection.education with the email address you are using. **Please check your junk/spam folder prior to contacting.**

If you have any questions, please do not hesitate to contact me. I will shortly send you an invite for the Making the Rounds visit on the 16th October and look forward to seeing you then.

Many thanks,

Tammy Buchanan
Data Protection Consultant

BCS Data Protection Practitioner

BSc(Hons) Computer Science

ITIL 4 Service Management, NCFE Principles of Cyber Security
