Hi Kim,

Thanks for your time today, it was really good to meet you. Please find below the information we discussed:

Adding Staff onto the Knowledge Bank - I have attached a template csv for you to complete and send back to me and I will bulk upload everyone for you. You can include Governors if you wish, but would only suggest doing that if they have school email addresses (which is recommended). Once you have sent this through I will send further information about setting up training.

Data Protection Policy: Template: <https://dataprotection.education/best-practice-library/documents/procedures/8-data-protection-policy>

Privacy Notices: we recommend the following three:

[DPE Model Data Privacy Notice Pupils](#)
[DPE Model Data Privacy Notice Workforce](#)
[DPE Model Data Privacy Notice General](#)

Photo & Video Policy: you might also want to review the photo/video policy as this is currently part of your data protection policy:

[Model Photos and Video Policy \(180 KB\)](#)
[Photo and Video Guidelines \(58 KB\)](#)
[Photo and Video Consent Form \(172 KB\)](#)

Schools Best Practice Area: <https://dataprotection.education/best-practice-library/best-practice/schools>

Staff awareness & Training. Consider mentioning data protection at staff briefings to raise awareness. Use the News section of the DPE website for ideas and latest best practice advice: <https://dataprotection.education/news-top/news>. Use our 'drip-feed' posters: [folderDrip Feeds - posters](#)

NCSC:

The NCSC also provide free training for school staff:

- [NCSC Questions for School Governors](#)

KCSIE Article: this article explains how Cyber Strategy is linked to safeguarding children in school <https://dataprotection.education/best-practice-update/383-kcsie-s-cyber-link>

DPE Keep in the know digest email:

DPE has automated sending key information and updates to you. You should be receiving the latest DPE news via a digest email (Keep in the know! With data protection education). If you have not received an email please let us know so we can check the system for you. Email: dpo@dataprotection.education with the email address you are using. **Please check your junk/spam folder prior to contacting.**

If you have any questions, please do not hesitate to contact me. I will shortly send you an invite for the Making the Rounds visit and look forward to seeing you then.

Many thanks,

Tammy Buchanan
