To: Abi Hill <Abihill@downsview.brighton-hove.sch.uk>

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi Abi,

Thank you for your time today and good to see you again. Please find below details we discussed and any further information:

Policies & Documents

We discussed your planned move to Arbor and Bromcom and advised changes to the privacy notices may be required as that is a major change in critical provider. Templates are here:

[DPE Model Data Privacy Notice Pupils](#)

[DPE Model Data Privacy Notice Workforce](#)

[DPE Model Data Privacy Notice General](#)

We also discussed that there may be a need for some additional policies on the website, including photo & video policy etc.

Most information can be found here:

<https://dataprotection.education/best-practice-library/best-practice/schools>

If you go to the photo & video best practice library, you will see the documents and guidelines I mentioned:

[documentModel Photos and Video Policy \(180 KB\)](#)

[documentPhoto and Video Guidelines \(58 KB\)](#)

[documentPhoto and Video Consent Form \(172 KB\)](#)

[documentPhoto Consent Withdrawal Form \(43 KB\)](#)

[documentPhoto and Video Release Form \(publication\) \(7 KB\)](#)

Key point to remember is that the consent for a photo needs to be specific and can only be used for the purpose that the consent was obtained for.

Cyber

We talked about cyber resilience and you are already looking at the news articles. I would advise where possible to try and complete the Information/Cyber Security Checklist which can be found here:

<https://dataprotection.education/best-practice-library/checklist> (last one at the bottom), and speak to Orbis about multi factor authentication.

Resident at Coldean

I talked about the possible data risks by having a classroom residency at Coldean School (for both sides) and will follow up with more information when I have it, but generally consider:

- physical security
- conversations
- who else has access to the building which might be different to your school
- displays
- who has access to the room/information

Third party suppliers

I have your third party supplier list so will work through adding that to the Knowledge Bank and will let you know when it is complete. Just a reminder that this is another document that will need updating when you move MIS and finance systems. This can also be an appendix in the respective privacy notices. If you go to the schools best practice area there is a tab for a Website Example which you might find useful.

I will shortly send through an invite for our next meeting of a Making the Rounds visit (in person) to the college in February and look forward to seeing you then.

Many thanks,

Tammy Buchanan
