Hi Michele and Sue,

Thank you for your time today. It was good to meet you. Please find below the information as discussed:

Training:

We established that there has been no data protection training recently so will work to add staff onto the Knowledge Bank to be able to assign training to them. Please let staff know that they will receive an email with login credentials once I load them on so they don't delete in error, or it may go into junk. I have attached the csv for you to populate and send back to me. Once I have uploaded them I will send you the instructions on how to assign courses to staff.

Other awareness ideas for training:

Inset Day Training article - <https://dataprotection.education/best-practice-update/387-inset-day-training>

Awareness posters - <https://dataprotection.education/best-practice-library/documents/drip-feeds>

Privacy Notices:

As discussed we recommend having three:

[DPE Model Data Privacy Notice Pupils](#)

[DPE Model Data Privacy Notice Workforce](#)

[DPE Model Data Privacy Notice General](#)

Third Party Supplier list

When you are ready to update your third party supplier due diligence list, this article will help with the steps (although we will discuss this more at future meetings):

The Schools Best Practice Area gives lots of guidance and support for schools:

I have already sent Kalina an email about organising a demo of the Knowledge Bank and have copied you in.

I will shortly send the invite for the Making the Rounds (data walk) visit in November, and look forward to seeing you then.

In the meantime, if you have any questions, please do not hesitate to contact me or email dpo@dataprotection.education.

Many thanks,

Tammy Buchanan
