Hi Michele,

Thanks for sending these through.

I notice that you share pupil information with your PTA - this is quite unusual these days. PTA's will often collect that data from parents directly as they would normally be the controller for the information (i.e. the school would not be adding any additional processing/control with that data). That would make the school and the PTA joint controllers and as such it makes the school equally responsible (and liable) for the security of the data they share with the PTA - again a good reason for the PTA to collect the information directly rather than through you.

They all look fine. I have used the information at the end of the privacy notices, to copy the following third parties across to your school for the due diligence list. Please note you need to list the company name not the piece of software/product (I have added them for you):

CPOMS
Caterlink
ParentPay
School Ping
EduKey
Arbor
Education Software Systems (FMS)
Tucasi (Schools Cash Office)
Sign in app
MyPlayService (Magic Booking)
Lexia
2simple
East Sussex County Council

Subject: DPE Online Meeting: Brunswick Primary School: Brighton

Hi Michele and Sue,

Thank you for your time today. It was good to meet you. Please find below the information as discussed:

Training:

We established that there has been no data protection training recently so will work to add staff onto the Knowledge Bank to be able to assign training to them. Please let staff know that they will receive an email with login credentials once I load them on so they don't delete in error, or it may go into junk. I have attached the csv for you to populate and send back to me. Once I have uploaded them I will send you the instructions on how to assign courses to staff.

Other awareness ideas for training:

Inset Day Training article - <https://dataprotection.education/best-practice-update/387-inset-day-training>

Awareness posters - <https://dataprotection.education/best-practice-library/documents/drip-feeds>

News section of our website - <https://dataprotection.education/news-top/news>

Privacy Notices:

As discussed we recommend having three:

[DPE Model Data Privacy Notice Pupils](#)

[DPE Model Data Privacy Notice Workforce](#)

[DPE Model Data Privacy Notice General](#)

Third Party Supplier list

When you are ready to update your third party supplier due diligence list, this article will help with the steps (although we will discuss this more at future meetings):

<https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

The Schools Best Practice Area gives lots of guidance and support for schools:

<https://dataprotection.education/index.php/best-practice-library/best-practice/schools>

I have already sent Kalina an email about organising a demo of the Knowledge Bank and have copied you in.

I will shortly send the invite for the Making the Rounds (data walk) visit in November, and look forward to seeing you then.

In the meantime, if you have any questions, please do not hesitate to contact me or email dpo@dataprotection.education.

Many thanks,

Tammy Buchanan
