Hi both

Thanks for your time today, it was really good to meet you. Please find below the information we discussed:

Adding Staff onto the Knowledge Bank - a reminder to add any new staff to the Knowledge Bank and assign any training to them. I have attached the staff/user spreadsheet for you to complete and return to me. I have removed Jo and added Elaine - you should have received some login credentials. If you could please advise staff that they will receive login information and that it may go into junk/spam so they should look out for it.

I have emailed Kalina to ask her to arrange an online demo for you both.
