Hi all

Thanks for your time today, it was really good to see you all. Please find below the information we discussed:

Adding Staff onto the Knowledge Bank - a reminder to add any new staff to the Knowledge Bank and assign any training to them. You all confirmed that data protection training is done as part of the onboarding process. Additional training:

Staff awareness & Training. Consider mentioning data protection at staff briefings to raise awareness. Use the News section of the DPE website for ideas and latest best practice advice. Use our 'drip-feed' posters: [folderDrip Feeds - posters](#)

Free inset day training ideas: <https://dataprotection.education/best-practice-update/387-inset-day-training>
ICO training videos: <https://dataprotection.education/courses-heading/ico-an-introduction-to-data-protection-for-small-businesses-and-sole-traders>

NCSC:

The NCSC also provide free training for school staff:

KCSIE Article: this article explains how Cyber Strategy is linked to safeguarding children in school <https://dataprotection.education/best-practice-update/383-kcsie-s-cyber-link>

DPE Keep in the know digest email:

DPE has automated sending key information and updates to you. You should be receiving the latest DPE news via a digest email (Keep in the know! With data protection education). If you have not received an email please let us know so we can check the system for you. Email: dpo@dataprotection.education with the email address you are using. **Please check your junk/spam folder prior to contacting.**

SCR - a reminder that a school recently had their scr encrypted through a cyber attack and were unable to open for over a week. Advise reviewing where the scr is kept for each school and that there is a backup available.

Data Breaches and SARS - a reminder that these should be recorded on the DPE Knowledge Bank so that our legal team can view/advise.

Checklists - we finished the meeting ten minutes early to allow you to complete the checklists on the Knowledge Bank which we can review next meeting:

<https://dataprotection.education/best-practice-library/checklist>

Suppliers: We discussed the fact that suppliers for BILTT have not been recorded on the Knowledge Bank, which is part of the Record of Processing as required by the ICO, so will speak to Paula about getting a trust list first and go from there.

If you have any questions, please do not hesitate to contact me. I will shortly send you an invite for our next meeting and look forward to seeing you then.

Many thanks,
