Hi Gill,

Thank you for your email, and so pleased that you have been able to get some support via the chair of governors. I am going to speak to our legal director about the PLAY club as I think there are two aspects to it:

- due diligence on the company itself which we would normally expect to do for any third party supplier that personal data is shared with. They aren't currently listed as a generic third party on our Knowledge Bank, so this is something we can work on together.
- how information is shared/used by the teacher of the club i.e. their use of the school pupil database for club purposes.

Regards the server - please come back to me if they do not respond as it should have been escalated and they should be dealing with it.

Have a lovely weekend,

Many thanks,
Tammy

Hi Tammy,

Great to meet you the other week. The Chair of Gobs is very keen to amend all of the issues that you found during your visit.

Please find attached the contract that we have with PLAY, the after school provider. They haven't got a Privacy Policy and so the teacher has asked the man above him (it's a franchise I believe) to put one together.

As regards due diligence, since he has started with us I have got the following from him and checked -

His DBS - he is on the update service
Right to work forms and ID
Teacher qualifications
Other qualifications and courses
Confirmation that he is self employed
I am still waiting for references.
Is this ok?

As regard the computer cabinet or lack of one, I have logged this with IT but won't hold my breath to hear from them!

Thanks for your help,
Gill

Hi Gill,

Thank you for your time yesterday and for showing me around your school. I have updated the Making the Rounds on the Knowledge Bank:

<https://dataprotection.education/courses-heading/making-the-rounds-log/item?id=97714>

If you click on the above link mode there will be some feedback in some of the areas which include links and information that you can send to staff if needed. I have also attached a Word document with the feedback so you are able to share better with your governor and SLT. I have spoken to someone in the legal team about the After School club who agreed with my concerns so have added some guidance, but if you wish us to review the contract with them, then please let me know. Please also consider sending us their privacy policy and any due diligence completed for review.

I have updated the DPO Feedback section with any additional advisories and changed the status to Action Required. You can then update the Actions Taken section with any changes you are able to make, and we can discuss at our next meeting.

I am putting my booking link below so you can book the next online meeting -please feel free to invite the governor you mentioned. Please use the link below to check my availability which will allow you to book a date and time that is suitable for you:
