Hi Liz,

Yes I would agree with you - I would say if they did the first course within the last two years, then the GDPR Refresh and Data Breaches one should be fine.

I hope that helps,

Many thanks,

Tammy

Tammy,

We have been looking at our data protection/GDPR training record. I note that the GDPR 101 course has now been replaced with 2 courses: (1) An Introduction to GDPR and (2) Avoiding Data Breaches. For staff who did the original course, would you recommend them doing both of these, or can they do the GDPR Refresher + Data Breaches?

Thanks,

Liz
