Hi Stuart,

Following my discussion with James please find below further advice about the policies:

061023 Freedom of Information Scheme of Publication 23-24.docx - check which template you are using, ours is located here: <https://dataprotection.education/best-practice-library/best-practice/freedom-of-information>, although please also feel free to use any local authority one (although don't mix and match).

061023 General Privacy Notice 23-24.docx - confirm removal of the word consent under data collected as this is a lawful basis rather than the personal data

061023 Privacy Notice for Children and their Families 23-24.docx - would advise renaming this to Data Privacy Notice Pupils as per our template.

061023 Records Management Policy editable 23-24.docx - all good although not cross checked retention periods.

061023 Subject Access Request Form 23-24.docx - not needed for the website, but might be useful to have a version of the document for internal use as a way of clarifying a request and confirming who checked the ID of the requester.

061023 Webpage overview.docx - all good

061023 Workforce and Volunteer Privacy Notice 23-24.docx - advise changing the name of this to match our template: Data Privacy Notice Workforce

061023 Data Protection Policy 23-24.docx - would advise that the appendices for consent are separate policies: <https://dataprotection.education/best-practice-library/documents/procedures/acceptable-use-1/46-staff-acceptable-use-policy-template-v1-0-1>

<https://dataprotection.education/best-practice-library/documents/procedures/acceptable-use-1/47-student-acceptable-use-policy-template>

<https://dataprotection.education/best-practice-library/documents/procedures/153-model-photos-and-vidoe-policy>

<https://dataprotection.education/best-practice-library/documents/procedures/9-photo-consent-form>

I would advise reviewing this article: <https://dataprotection.education/best-practice-update/345-new-photo-and-video-policy-and-waivers>

061023 Freedom of Information Policy 23-24.docx - On page 1 the Ltd has been deleted from Data Protection Education

061023 Freedom of Information Request Form 23-24.docx - not needed as the requester will normally send questions relating to their research/request.

I hope that helps,

Many thanks,

Tammy Buchanan
