Hi Liz,

Thank you for your email. Just to advise, the best email to ask this kind of question is dpo@dataprotection.education as this emails the core compliance team and raises a ticket for you at the same time.

I'm not aware of any plans at the moment, however, if there are any changes external to Data Protection Education, such as changes in legislation which we are not in control of, then we would update accordingly. If there is a change then we would publish an article about it for our news page, which you would see when you receive our latest newsletter in your email.

I would also recommend having a look at the CCTV best practice area to check all compliance around CCTV:

<https://dataprotection.education/index.php/best-practice-library/best-practice/cctv>

I hope that helps,

Many thanks,
Tammy

Subject: CCTV and FOI Model Policies

Morning,

I need to update my CCTV and Freedom of Information Policies for Nov Governors meetings.

Just checked on the website. Looks like:

- CCTV one is from 2019
- FOI one is from 2019

Just checking if you are planning to update these Model Policies in the next 3-6 months? If yes, I will wait for a new Model to reference.

Thanks,

With best wishes
