Hi Elaine,

Apologies as this got lost in my inbox because it arrived when I was out on site for a couple of days. I have done it now and it has completed successfully. Kalina said that you had a question about adding governors - it is up to you. The governors do get a different view and cannot see all of the detail, here is an article about the roles on the Knowledge Bank explaining this in more detail:

<https://dataprotection.education/site-updates/358-knowledge-bank-user-types-admin-staff-and-trustee>

It is sometimes good to have the governors there as it is then possible to assign training to them.

Now that all staff will have received their login credentials - please advise them to check in check if it's not in their inbox, you may want to assign training to them. Here are the instructions on how to do that:

<https://dataprotection.education/site-updates/291-assigning-users-to-courses>

Again apologies for having missed your email, and please come back to me if you have any further questions.

Many thanks,
Tammy

Hi Tammy

Just had dashboard overview with Kalina and it appears our staffing list for upload has not been uploaded.

Could you do this please so we can start assigning training.

Thanks Elaine
