Hi Paul,

Thank you for your time today, it was good to see you again. I have updated the Making the Rounds on the Knowledge Bank with all of the information that we discussed and marked it as complete for now. You have completed an amazing number of actions from that visit.

Here is the article about the Wi-Fi that I mentioned:

<https://dataprotection.education/infosec/423-october-is-cyber-awareness-month-7-what-does-a-cyber-attack-on-a-school-look-like-10>

Here is the information about Lettings which may be useful when you next discuss the Community building:

<https://dataprotection.education/best-practice-update/443-lettings-best-practice-and-guidance>

The article also contains a checklist which you might find helpful.

I discussed the School Best Practice which is here:

<https://dataprotection.education/index.php/best-practice-library/best-practice/schools>

We also discussed supplier due diligence, examples of suppliers are:

- Assessment Apps
- Auditors
- Catering, including Cool Milk
- Children's Services
- [Cloud](#) solutions such as Microsoft/Google
- Curriculum Applications including Phonics Apps
- Data Integrators such as Wonde which attach to the MIS and share data with other apps
- Data Protection Education
- DfE
- Employee Health/Welfare
- Employee payroll
- External breakfast/after school club
- Extra curricular
- Governor tools/apps
- Independent advisors
- Independent therapists
- Local Authority
- National Pupil Database
- NHS/School Nurse Team
- Ofsted
- Parent Communications Systems
- Parent Payment Systems
- Photographer
- Police forces, courts, tribunals
- Professional bodies
- PTA
- Pupil's next school

- Visitor Entry System

Here are the details of how to copy the generic school information over to your school for the third party suppliers:

I will shortly send the next invite through for the Spring term and look forward to seeing you then. In the meantime if you have any further questions please do not hesitate to contact me, email dpo@dataprotection.education or log a ticket on the Knowledge Bank.

Many thanks,
