Hi Paula,

Thank you for your time today, please find below any follow up information as discussed:

SAR recognition: we discussed that there may be a need to remind some staff members what a SAR is and how to recognise one. Please find this link from the ICO: <https://www.youtube.com/watch?v=VvwjSaGJIMY>

There are other short videos by the ICO that are uploaded to the Knowledge Bank which may be useful for central staff and those staff members that access volumes of personal data or special category data: <https://dataprotection.education/courses-heading/courses/ico-an-introduction-to-data-protection-for-small-businesses-and-sole-traders>

This page also has useful information about SARS: <https://ico.org.uk/for-organisations/uk-gdpr-guidance-and-resources/employment-information/subject-access-request-q-and-a-for-employers/>

We will discuss this further at our next meeting.

Trust Initial Checklist - we went through the Trust Initial checklist and I have attached a pdf version of the list for your information. It gave us a good indication of where the trust currently is with data protection.

I have put some time in my calendar to put together a trust report before the 13th December which I will send to you. I have also put a note in my diary to contact you before my visit to St John's in February to see if there is anything else you might need to be looked at on that day.

I will shortly send you an invite for our next meeting in January to talk about suppliers and look forward to seeing you then.

Many thanks,

Tammy Buchanan
