Hi Michelle,

I think perhaps we should have a quick chat before the meeting on what you are expecting me to cover? The details in the document are the follow ups from the Making the Rounds that I did a while ago. I did the walks with the head teachers who are fully aware of the situation so should be helping the champion to implement anything they agree with (they may not if they do not think there is a risk), so I'm not sure what you want me to add to that? I think it would be useful for them to know how to update the Making the Rounds on the Knowledge Bank with any actions that are completed, or any notes?

We also said that the Trust would clarify what the procedures are for breaches and SARs before the meeting even if that was something that is only done by the central team? I could offer you a meeting on the afternoon of the 13th November (any time), or the 14th November after 2pm. Or any time on the 17th?

I look forward to hearing from you.

Many thanks,
Tammy

Michelle Rogers shared a spreadsheet

Michelle Rogers (mrogers@springpartnership.co.uk) has invited you to **edit** the following spreadsheet:

Hi Tammy

The November meeting seems to have come around really quickly.

Just a reminder re our spreadsheet of what has been dealt with - there may have been some updates since I sent it to you last.

I will try to also attend the meeting on the day just to listen in to see what questions etc the GDPR champions come up with as they're all new to this and don't really know what to expect but I have said it's not daunting!

Best regards

Michelle
