Hi Joanne,

I did try to call you at the school but I think you were working from home. I'm afraid I have meetings all day today and am out on site tomorrow, but I am going to put some information below that I think will answer all of your questions:

Arbor & Bromcom - our legal director has done some due diligence on both of these. The information can be found under the generic school for each in third parties on the Knowledge Bank:

Arbor: <https://dataprotection.education/core-data/third-parties-and-contracts/item?id=76165>

Bromcom: <https://dataprotection.education/core-data/third-parties-and-contracts/item?id=87332>

You can copy these across to your school, here are the instructions (or I'm happy to do it for you):

<https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

If you think you need further due diligence, then the form for sending to them is here:

<https://dataprotection.education/best-practice-library/documents/procedures/135-supplier-due-diligence-form>

Although I would advise that they are both the market leaders in their field and recommended by the local authority.

I have worked with the local authority and Arbor to try to give the Brighton schools some more clarity over what is needed with the migrations. The local authority has given advice over what data is to be kept in SIMS and what is to be moved and some comprehensive instructions. My article is here:

<https://dataprotection.education/best-practice-update/412-moving-to-another-mis-considerations>

If after that you think you still need more help I have some time on Friday but am not free until after 11am - so just let me know and I will book it in.

Anyway, I hope that helps,

Many thanks

Tammy

Many thanks,

Tammy

Hi Tammy,

Sorry, I was on a call for much longer than planned. Would you be able to call me tomorrow? I will be in school, 01273 607924 option 3 for SBM.

I wanted to ask about DPIA for Bromcom (financials) and Arbors for Staff and pupils.

I would also like some advice regarding retention of data for both staff and pupils.

Many thanks,

Hi Joanne,

I am waiting in a meeting for someone at the moment which is likely to be an hour or more, but I can try and call you afterwards if that helps? Do you have a direct number I could call you on?

Many thanks,
Tammy

Hi Tammy,

I am sorry that I haven't got back to you. We are in the middle of our finance system migration and then our MIS migration starts on 13/11, so I am really focused on that at the moment, I have booked our meeting for Jan 2024. Hopefully, all the new systems will be in the past for me then!

I wondered if I could give you a quick call as I would like to clarify a couple of things with regards to our system migrations.

Many thanks
