Hi Pete

Thanks for your time today, it was really good to see you and apologies for my poor internet connection. Please find below the information we discussed:

Knowledge Bank Demo: I have copied Kalina into this email so she knows to contact you again to try to book a KB demo with you. We discussed that this would be just you for now due to staff sicknesses.

Adding Staff onto the Knowledge Bank - I have attached the csv file that I mentioned. Please complete and return to me and I will upload them for you. As mentioned the job role field is optional so up to you to complete if required. Please advise staff that a login email will be coming through from the email address kb@dataprotection.education with their login details for the Knowledge Bank which may go into junk/spam, so please don't delete. Once I have uploaded the staff details I will confirm that I have done this with you and send you all the course details that you need for the next part.

Staff awareness & Training. Consider mentioning data protection at staff briefings to raise awareness. Use the News section of the DPE website for ideas and latest best practice advice. Use our 'drip-feed' posters: [folderDrip Feeds - posters](#)

DPE Keep in the know digest email:

DPE has automated sending key information and updates to you. You should be receiving the latest DPE news via a digest email (Keep in the know! With data protection education). If you have not received an email please let us know so we can check the system for you. Email: dpo@dataprotection.education with the email address you are using. **Please check your junk/spam folder prior to contacting.**
